70. **Additions to the agenda requested by Board members and the Chief Administrative Officer, which were posted more than 72 hours in advance of the meeting, as indicated on the green supplemental agenda.**

- 70-A. Recommendation as submitted by Supervisor Antonovich: Direct the Directors of Public Works and Planning, and County Counsel to recommend necessary code amendments and policy changes to the County's land grading permit procedure for

Board approval within 30 days which include the following: (06-0291)

Imposing the available administrative fines and penalties and issue the appropriate stop-work orders and notices of violation to three property-owners in the unincorporated areas of Val Verde, Lake Hughes and Santa Clarita, which have substantial grading that appears to have occurred either without a grading permit or in excess of what is permitted under an approved permit;

Increasing civil penalties for violations of the County's grading ordinances and policies;

Requiring applicants to secure a conditional use permit for grading in amounts lower than the current threshold of 100,000 cubic yards;

Empowering law enforcement to seize construction equipment used in illegal grading operations;

Enacting a provision whereby a property-owner who grades without permits is precluded from securing a grading permit for a defined period of time;

Determining administrative procedures for hearings and review of penalties for illegal grading; and

Investigating these and other measures implemented by other jurisdictions that have successfully prevented illegal grading.
